The 4th International Conference on Advanced Information Technologies
4th-5th November, 2020
Yangon, Myanmar

CALL FOR PAPERS

The 4th International Conference on Advanced Information Technologies (ICAIT) will be held in Yangon, Myanmar on 4th and 5th November, 2020 and organized by the University of Information Technology (UIT) under the Ministry of Education. It will cover the areas of research and development in the fields of advanced information technologies. The conference offers an excellent opportunity to learn and share the latest technological developments to interact with leading experts in the field. ICAIT, 2020 will aim to strengthen the collaboration between the research laboratories, IT industries and universities.

TOPICS OF THE CONFERENCE

- Advanced Computational Paradigms
- Big Data Methods and Analytics
- Cloud Computing
- Computer Vision and Image Processing
- Cyber Security and Networking
- Database and Data Mining
- Embedded Systems and Digital Signal Processing
- Internet of Things and Cyber Physical Systems

- Mobile and Ubiquitous Computing
- Modeling and Simulation
- Natural Language Processing
- Networking and Communications
- Parallel and Distributed Systems
- Software Defined Network
- Software Engineering
- Computational Intelligence and Machine Learning

PAPER SUBMISSION GUIDELINES

Authors are invited to submit papers by 14th August, 2020. Submitted papers must be original and should not have been published previously. The paper must be no more than 6 pages with two column format. It can be downloaded through the link https://www.uit.edu.mm/icait-2020/

Accepted papers will be submitted for inclusion into IEEE Xplore.

IMPORTANT DATES

Submission Deadline   :   14th August, 2020
Acceptance Notification :   30th September, 2020
Camera Ready   :   15th October, 2020

REGISTRATION FEES

Registration Fees   :   200 USD

Submission Email   :   icait_conf@uit.edu.mm
