ICAIT 2025 — International Conference on Advanced Information Technologies

IEEE

6th International Conference on Advanced Information Technologies (ICAIT 2025)

3rd November 2025
YANGON, MYANMAR

CALL FOR PAPERS

The 6th International Conference on Advanced Information Technologies (ICAIT) will be held in Yangon, Myanmar on 3rd November 2025 and organized by the University of Information Technology (UIT) under the Ministry of Science and Technology. It will cover the areas of research and development in the fields of advanced information technologies. The conference offers an excellent opportunity to learn and share the latest technological developments and to interact with leading experts in the field. ICAIT 2025 will aim to strengthen the collaboration between the research laboratories, IT industries and universities.

The ICAIT 2025 will be held in a semi-hybrid manner. Generally, all programs are conducted in person. If an author of an accepted paper is unable to attend the venue, it may be possible to arrange for an online presentation.
